

Dear Grandma,

I just wanted you to know that I have really appreciated the love and joy you have brought into my life, and the lives of others. I will never forget the Popsicle's and pancakes with faces that you made Donnie and I. Or the times you let us make a tent that took up most of the living room and dining room. You had a lot of patience with all of us grandkids. We were quite a wild bunch. What I appreciated most about you and Grandpa, is that you have helped me through the past 4 years in so many different ways. You were always there to lend a hand when needed.

You mean a lot to me. Not because of what you do for me or for others, but for who you really are. Thank you for being such an awesome Grandmother. I love both of you more than word could ever say. I hope you have a happy Christmas and a happy belated birthday.

Lots of Love,
